

The screenshot shows the equiti dashboard interface. On the left, a vertical menu contains several options: Dashboard, Managed Programs (highlighted with a red box), Deposits, Withdrawals, Transfers, Reports, Analysis, and Platforms. The main content area is titled 'Active Programs' and 'Available Programs' (the latter is also highlighted with a red box). Below this, a table lists available programs with the following data:

| Program Name | Program ID | Performance Fee % | Management Fee % | Minimum Drawdown % | |
|---------------------------------|----------------|-------------------|------------------|--------------------|--|
| MULTI-ASSET DAYTRADING FUND USD | MP-1117670-007 | 20.0% | 0.0% | 60.0% | Join Program > (highlighted with a red box) |

1. Select “Managed Programs” from the menu on the left side of your dashboard.
2. Then click on “Available Programs” at the top.
3. Click on “Join Program” and follow the next steps.

Once your funds are connected to the Managed Program, you will participate in the strategy and all trades will be executed fully automatically on your account.
